January 2024

Dear parents and guardians,

Thank you for selecting a Consortium school for the opportunity to provide a Catholic education for your child(ren). It is a privilege to partner with you in this important ministry.

Since stepping into the role of executive director in November, I have visited each of the six schools and have been welcomed with open arms and smiling faces at each of them.

I'm reminded of a quote from the influential book *Catholic Schools and the Common Good*, which says, "There's a feeling [in a Catholic school] that is hard to miss if you spend any time here...a tremendous rapport between students and faculty. The faculty is extremely concerned about the kids, not only academically."

You surely have felt this, too. Many of you have described it as "family."

Each year, it is our goal that you have an excellent experience, filled with many opportunities to encounter Christ.

We also make every effort to ensure tuition remains manageable. Be assured that with your investment in tuition for your child(ren), we will continue our tradition of fiscal discipline, maximizing every dollar.

Enrollment opens for current families on February 5, and new families can begin enrolling on February 12, 2024. Enclosed, please find information about the 2024-2025 tuition rates, as well as information about tuition assistance opportunities.

You can expect to hear from your school principal with more details on the process, and you are welcome to reach out to your principal or to the Consortium office with any related questions.

We are proud of who we are and confident of where we are going, in large part because you are a part of our journey, of our Consortium family. Thank you and may God bless you.

Sincerely,

Shannan Brommer
Executive Director

Tuition Assistance Opportunities

Ensuring our Catholic schools remain accessible and affordable for families in the southeast Omaha area is our top priority. The entire Consortium team is keenly aware of the financial challenges facing families, and we are happy to discuss the opportunities for financial aid for the upcoming school year. We want to make this transformational experience available to families no matter their financial situation. No family is turned away from our schools due to an inability to pay full tuition.

Each school year, the Omaha Catholic School Consortium provides more than \$1.2 million in tuition assistance to families in the form of tuition discounts and need-based aid. Between 40-50% of the student body benefit from tuition assistance.

Tuition Assistance is provided to current and incoming students through these Funds:

- **The Children's Scholarship Fund (CSF) of Omaha** is an independent organization that provides income-based scholarships for children in grades K-8. Applications are available February-May annually.
- **OCSC Tuition Assistance and Latino Catholic Scholarship Fund (LCSF).** These programs are funded by generous supporters of the Consortium and our schools. These funds are used to aid Latino families who do not receive CSF or who need additional aid. To receive LCSF families must apply; application window is from February 12th, 2024 to May 5th, 2024. If you have questions or to apply, please call (402) 590-2810.

New This Year

This is a separate application, and more information can be found at Opportunity Scholarships of Nebraska (nebraskaopportunity.org).
