**As a part of our ongoing efforts to be good stewards of our planet this upcoming school year, in addition to our recycling & composting, we will initiate the process of reducing school supply waste. Our goal is for both parents/guardians and our school to spend less money on supplies in future years at STM.

Some items will be split between your child's homeroom and the Art Classroom. There will be boxes in each homeroom for those specified Art supplies.

Thank you for your help in making this happen.**
