

About the Preschool

Pawprints Preschool opened in August 2003 to provide a fun and safe learning environment for three- to five year-olds.

The program is affiliated with Saint Thomas More Catholic Church and School, and uses a Catholic-centered instructional curriculum to teach children the values and morals of our faith. Additionally, our prekindergarten students participate in the Montessori based, "Catechesis of the Good Shepherd" program. For more information and to view our videos please go to <https://cgs-stm.weebly.com/>.

Our preschool and prekindergarten curriculum also emphasizes fundamental, school-ready principles, including age appropriate mathematics, literacy, science, social studies, and art. Children will also practice important social and life skills, along with developing fine and large motor coordination skills. Advanced learners are offered phonics, beginning writing skills, & early math concepts.

We are also very excited about our **Outdoor Nature Classroom!**

Testimonials

"Pawprints preschool was simply the best experience we could have hoped for in transitioning to a learning environment. Our kids received the love and friendship that we were so eager for them to experience at school but we were blown away at the level of education they received. Our kids graduated Pawprints with skills that made them very successful in Kindergarten and with their own growing sense of love for God. Truly a welcoming community and school!"

- Rafael & Cassie C.-M.

"This program has been a blessing to our family! The teachers really worked with my children on their specific needs. I love how much they engage in our faith now too."

- Andrea C.

"I sent my son to Pawprints Preschool not really knowing what to expect. The staff exceeded my expectations with their excellent communication and caring for their students. My son enjoyed learning and loved attending class! We were amazed at the progress he made in his work in such a short time! Completely satisfied and highly recommend Pawprints to everyone!"

-Theresa B.

"We were very pleased with our experiences with the STM Pawprints preschool program. Each of our daughters strengthened their faith, learned the lifelong values of friendship and kindness, and were also well prepared for Kindergarten."
