TREASURER REPORT:

Current Balance:

PRESIDENT REPORT:

- Volunteer Appreciation Dinner on 29MAR26; huge thank you to Jerry and the "That Man Is You" group for making it happen!
- update of Concession/Volunteer coordinator roles; thank you Stacy and Ashley!
- fence update

Discussion on purpose of the fence, wanting students to still have easy access to field for recess. Reiterated the fence is to deter drivers coming onto field, will have a gate and easy opening for kids to still use regularly

- missing shifts for basketball season

Discussion regarding why people don't make shifts- did share that if there are medical reasons or life reasons, we are more than happy to waive requirements for seasons or work with the family. There are still a few families though who do not communicate, respond, or volunteer. STMA will work with STM office to bill families who do not pay for missing shifts

Did also confirm that grandparents or family friends can definitely work required shifts for families so it does not have to be the parent/guardian working all shifts

VICE PRESIDENT REPORT:

- 3v3 Tournament
- made over \$5,000 from tournament- overall went really well! Had a hard time getting volunteers and a few people had to put in a ton of time to make it happen. More brainstorm on volunteers and how we can encourage people to want to come and help and be part of the community

BASKETBALL COORDINATOR:

-overall a good season. Discussion regarding fan behavior and STM policy compared to PAL and CYO leagues. Talked about two incidents this past season that resulted in a parent being removed from a game. Discussion on if that should be a ban for the rest of the season, or the following game. Should STM be more strict with our policies than CYO or PAL? Decision made was to set a meeting up in the summer to review and edit parent conduct policies and make decisions to document. Also send out cohesively.

-Will also have a summer meeting for how we can ensure all registrations are the same and gathering the same information/giving out the same policies and getting the same signatures.
